

Carboactiv Fill

Granulated carbon

Product Range

Features

Applications

KEY FACTS

- Shaped carbon (cylindrical formed carbon)
- For the adsorption of gaseous molecular substances and odors

Carboactiv Fill

Granulated carbon

PERFORMANCE DATA

Article No.	Designation	Unit
-	Activated carbon granulate	Kg Sack
		25

SPECIFICATION

Grain diameter	3 mm	Tap density (kg/m ³)	490 ± 30
Interior surface (m ² /g)	950 (BET method)	Water content (weight - %)	5
